VISION AND MISSION STATEMENT

Vision

Our vision is for an intercultural Meath, which is fully integrated and free from racism.

Mission

Cultúr's mission is to facilitate intercultural awareness, community development and capacity building with ethnic minorities.

CULTUR ENGLISH CLASSES

Cultúr has provided English classes to migrants living in Co. Meath since 2004. We are a locally based voluntary organisation working with ethnic minorities in Co. Meath. We work closely with a range of organisations that support us to deliver our classes at a low cost to ensure they are accessible and affordable. We would like to acknowledge Meath VEC and Trim FRC who are providing us with class rooms and practical supports along with our volunteer tutors who deliver the classes.
